- 1.1 The event is governed by the rules as detailed in NoR 1.
- 1.2 When the umpires proceed under RRS C8.6 they will be guided by SI Addendum D.
- 1.3 Further to NoR 1.3, the RRS is changed as follows:
 - (a) When flag AP is displayed ashore, “1 minute” is replaced with “not less than 60 minutes” in Race Signals AP.
 - (b) RRS 32 is deleted and replaced with: “After the starting signal, the RC may abandon or shorten any match for any reason, after consulting with the match umpires when practical.”
 - (c) Within a flight, when a visual signal is displayed over a numeral pennant, the signal applies to that match only. This changes Race Signals.
- 1.4 Abbreviations and Penalties for breaking a rule of this attachment are:

[NP] - A boat may not protest another boat for breaking that rule nor request redress based on that rule. This changes RRS 60.1(a) and 62.1(a). Add new rule RRS C6.2 (e) as follows: “a rule in the SI marked [NP].”

[Ump] - Umpire-initiated. Add new rule RRS C8.3(d) as follows: "breaks a rule in SI marked [Ump]."

[DMG] Damage deposit. When marked, breaking this rule will be considered as damage and the cost of rectification will be deducted from the damage deposit.

2 CHANGES TO SAILING INSTRUCTIONS

- 2.1 Any changes to the SIs will be posted no later than 60 minutes before the first scheduled warning signal on the day it will take effect, except that any change to the schedule of races will be posted by 2000 on the day before it will take effect. Flag L over the numeral pennant of the most recent amendment will be displayed ashore on the day it will take effect until the boats have departed for the race course.
- 2.2 Changes to a SI may be made on the water. These will be signalled by the display of flag 3rd substitute with three sound signals from the Race Committee Signal Boat. Alternatively, an umpire may communicate these Race Committee changes either verbally or in writing.

4 BOATS AND SAILS

- 4.1 Boats will be identified by bow numbers.
- 4.2 The sail combination to be used will be signaled from the Race Committee Signal Boat with or before the attention signal. The signals will have the following meanings:

SI ADDENDUM D – DAMAGE PENALTIES

Match Racing Penalties for Damage resulting from contact between boats

Appendix C6.6 and C8.6 permits the umpires or protest committee to decide the penalty when a boat breaks RRS 14. This document explains how damage will be assessed and gives general guidance on the appropriate penalty. When the protest committee has good reasons to do so, it may apply a different penalty.

Damage will be divided into 3 levels as shown in the following table:

Level	Extent	Effect
Level A - Minor Damage	Does not significantly affect the value, general appearance or normal operation of the boat.	Boat may race without repair although some minor surface work may be required after the event. Repairs should not normally require more than 1 hour of work.
Level B - Damage	Affects the value and/or general appearance of the boat	The damage does not affect the normal operation of the boat in that race but may need some (temporary) work before racing again. Requires more than 1 hour of work but should not normally require more than 3 hours of work.
Level C - Major Damage	The normal operation of the boat is compromised and its structural integrity may be impaired.	The boat will need some repair work before racing again. Requires more than 3 hours of work.

Point Penalties - to be applied without a hearing (this amends RRS C8.6);

Level	Round Robin	Knock Out
A	None	None
B	Half point	Three quarters of a point
C	One point	One point

When both boats break RRS 14, they should both receive a points penalty. If a competitor requests a hearing when a points penalty is imposed, the protest committee may decide (in the hearing) to give a greater penalty.

Deductions from Damage Deposits

The assessment of damage level is only for the purpose of points penalties, and is not linked to any deductions from the competitor's damage deposits.

Any points penalty will be based on the assessment of damage level made on the water. Subsequent assessments of the damage level after closer inspection, whether the level turns out to be higher or lower, will have no effect on the points penalty given on the water.
